Session One

Do you feel like you don't know what trafficking is or how it found its way into our communities? This session will inform you of why it is vital for everyone to know the signs of human trafficking. Also hear first hand from a trafficking survivor as she shares her journey to freedom and bring this topic home in a real way. Come and learn to see the unseen.

Session Two

This session will explore common lures used by sexual predators, discuss trafficking flash points in Michigan, and teach Homeland Security guidelines for Civilian Responders. Interviews throughout the session will include time with law enforcement, teenage traffickers, homeland security, and testimony on how one phone call rescued a woman's life forever.

Lunch

Breakout Sessions:

You will be able to choose from a variety of Break Out Sessions that will be lead by various professionals involved in the fight against human trafficking. Sessions could include any of the following—Trauma Counseling, Medical, Parenting, Pornography, Law Enforcement, Hospitality, Outreach, or Survivor Testimonies.

Session Three:

Find how you can be a beacon of light in the darkness and use your knowledge to see the unseen.
