

JANUARY IS NATIONAL HUMAN TRAFFICKING PREVENTION MONTH

IN JANUARY, WE WILL BE SHARING RESOURCES AND INFORMATION AS WELL AS OFFERING EVENTS AT OUR BOUTIQUE IN GRAND RAPIDS

January | Human Trafficking Prevention Month

Throughout the month, Women At Risk, International will share educational blog articles with ways to get involved. Additionally, we are offering two classes at our WAR Chest Boutique in Wyoming, MI on January 11th (Self Defense) and January 25th (S.T.A.N.D. Classes). Plus, to honor human trafficking survivors, we are highlighting our Remembrance scarves (which are 10% off all month).

As January 11th is Human Trafficking Awareness Day, we are hosting a Self-Defense Class at our WAR Chest Boutique.
