GRADES ARE BASED SOLELY ON AN ANALYSIS OF STATE STATUTES. While we recognize the critical importance of non-legislative responses to propel progress, grading on statutory law provides a clear mechanism for evaluating policy goals across all states while ensuring that survivor-centered reforms are an enduring part of states' responses.

STATE HIGHLIGHTS:

- Between 2021-2023, raised score by 5.5 points.
- Commercially sexually exploited children can be identified as child sex trafficking victims regardless of whether they have or identify a trafficker.
- Requires convicted offenders of child sex or labor trafficking or CSEC offenses to pay restitution to victims.
- Both traffickers and buyers of sex with children can be prosecuted under commercial sexual exploitation offenses.

SAFE HARBOR STATUS:

One of 21 states that fail to prohibit the criminalization of minors for prostitution offenses, thus allowing commercially sexually exploited minors to be held criminally accountable for their own victimization.
